Recruiting Game

If any selling you have done before,
Put down 10 as the start of your score.
If you have a card are are able to drive,
The thing you must do is just add 5.
A little spare time will add to your score,
For this you may add 15 more.
If you like people and think they are grand,
Add 6 more to see where you stand.
Add 10 points if you think parties are fun,
And when you add this you are almost done.
If you score the highest, it is plain to see,
A Tupperware Consultant is what you should be!
