**MAYBE means I'll hold onto my envelope for now, go around the room and then come back to me..if she needs just one more, I'll play! Go around the room in a fun playful way, don't take anything personal!**

**LASTLY: For those that date say: I don't need specific dates and times right now, but if you know you can have your party within 7-10 days \$5000 or within 7-21 days \$10,000 I'll come around with money and you can tell me \$5000 or \$10,000**
