Consultant have a basket of gifts wrapped up
(this could be game gifts or larger piece of Tupperware)
Have the hostess pick a gift from your basket.
Then recite this poem :

You can't keep the gift , but please no tears
Give it to the one you've know for the most years.

Take the gift and look around
And give it to someone with eyes of brown.

Please look around with eyes discreet.
And give it to the one with the cutest shoes on their
feet

Please pass the gift to someone who is short or
small.

And now hand it to someone who is very tall.

Please, take your time and don't be harried.
Give it to the one who is the longest married.

You must be proud of your married life.
But you must pass this on to the newest wife.

You can't keep it , you must share,
Please pass it to the one with the longest hair.

Some of you walked, some came in a car
The gift now goes to the one who came from afar.

You still have a chance so have no fear
If you are the one with a birthday near.

Now don't get cross and lease don't fight
But pass it to the person who is fifth on your right.

We should stop now, don't you agree?
The gift is yours to open and see!
