

Thank you for having your Party with me!

I appreciate you for helping me to be successful in my business and I hope you enjoyed your party. Call me if you have any questions when you receive your boxes. In the boxes, there will be a Packing Slip to check the product off. Open and check off ONE (1) box at a time so you do not get confused. Sort them in like products. There will be bags in the box for you to use to pack each order. Then using your yellow copies I left for you (yellow Order Form or photo copy of Outside Order Form) start packing each guest order.
