Modular Mates[®] Containers

Key Features and Benefits

- Virtually airtight and liquid-tight seals to keep food fresh longer, keep out insects and save you money.
- Efficient—makes kitchen operations more efficient. Containers can be grouped so contents are easy to locate, monitor and keep in supply.
- Save space—modular designs, stackable and configured to store a large amount of food in limited space.
- Save money-keeps food fresh longer so no need to discard spoiled or stale food.
- Modular—many sizes and shapes to fit nearly any kitchen or storage challenge.
- Containers are see-through, allowing you to easily identify contents and check quantities for restocking.
- Seals to fit all containers in multiple color choices. Customize your kitchen to fit your color scheme.
- Capacities are engraved on the bottom of the containers to help you decide what food fits in each container.
- Contemporary style—complements any décor
- Modular Mates[®] Containers are available in Round, Oval, Super Oval, Square and Rectangular shapes and sizes.
 - Ovals: Great for dry, pourable foods such as pasta, beans, rice or sugar. They're are also convenient for storing flour, baking mixes, baking soda, chocolates, nuts, bread sticks, croutons, hard taco shells, crackers or even tea bags and coffee filters. Slim shape for easy grasping.
 - Squares: Buy in bulk and store staples like flour, rice, snacks, or dry pet food. They can also be used to store sugar, pasta, hard taco shells, coffee, coffee filters, tea bags, ice cream cones or crackers. Square shape makes it easy to scoop out contents.
 - Super Ovals: Larger than ovals by 55%, these containers maximize shelf space in deep cabinets. Best for dry pourables.
 - Rounds: The circular shape is suited for smaller storage needs in narrow spaces. Perfect for storing pourable foods and long, dry pastas.
 - Rectangulars: Great for snacks like pasta, chips, pretzels, crackers or muffins. They're convenient for storing flour and baking mixes, sugar, hard taco shells, peanuts or ice cream cones. Their size also helps maximize storage space in deep cabinets.

Modular Mates® Storage System— How to Customize Cabinets & Pantries

- Customizing your cabinets and pantries with Modular Mates[®] Containers is as easy basic addition—1+2 = 3.
 - Each container has a number marked on the bottom of it according to its height. The Ovals, Super Ovals and Rounds are numbered from 1-5. The Squares and Rectangulars are numbered 1-4.
 - Each unit is equal to 2¼"/ 5.7 cm, so if your cabinet is 9+ inches/22.9 + cm tall, any combination of 4 (4 x 2 ¼ = 9)
 - So 2 Rectangular 2's stacked together, or a 1 + 3 Super Oval or a 4 Square will fit in this cabinet—simple math!

How to Cross Sell

- Offer a Custom Kitchen Planning consultation or to start out suggesting any of the Modular Mates[®] solutions sets!
- Feature with any of the Organize & Relax products from the catalog like the Freezer Mates[®] Containers, FridgeSmart[®] Containers, Access Mates[®] Large Container, Large and Small Spice Shakers, Super Cereal Storer, Spaghetti Dispenser, and One Touch[®] Reminder Canister Set to organize your pantry/cabinets, countertop, refrigerator and freezer.
