

Tupperware

Modular Mates

Features:

- Stackable
- Capacity marked on bottom
- Classic Sheer material
- Viewing band
- Size related
- 3 colors to choose from

Benefits:

- No matter what size the space there's a canister or combination to fit
- No need to ever have wasted space again
- No guesswork
- Extra durability and scratch-resistant surface
- Even better view of contents - less need to label many items
- You can CUSTOMIZE and TUPPERSIZE at the same time!!

example: $1 + 1 = 2$

$2 + 2 = 4$

If you have a shelf that is the height of the Modular Oval #5, you can stack any number of Modular pieces to add up the the number 5.

example: $1 + 1 + 1 + 1 + 1 = 5$

$2 + 2 + 1 = 5$

$2 + 3 = 5$

$3 + 1 + 1 = 5$

$4 + 1 = 5$

For some real variety try adding some square and rectangulars and stacking ovals and round on them! There is no end to the answers to your personal storage requirements!!
