

3-2-1 Cake

1 box of angel food cake mix

1 box of cake mix (any flavor....use

"funfetti" white cake mix then used rainbow chip icing.....very exciting for kiddos!)

Combine and store in a Tupperware container, of course!

Use 3 Tablespoons of cake mixture

Mix with 2 Tablespoons of water in Tupperware CrystalWave soup mug

Microwave for 1 minute Voila!

*Note you must use angel food cake mix but can use any variety/flavor for the other.

Next adventure.....making two of these cakes and stacking on top of each
