

Baby Cakes Master Mix

In Thatsa Bowl combine:

1 - regular size cake mix (Devil's Food, Lemon, Spice are each good!)

1 - regular size One-Step Angel Food Cake mix.

Put each dry mix in Thatsa Bowl. Stir with Silicone Spatula until well blended.

Put mix in Modular Mates Rectangle 1 to store.

To make cake

In Vent 'N Serve Medium Deep (square)

or

3-1/2 c. Vent 'N Serve from Small Round Set put:

2/3 c. mix

6 Tbsp. water

Stir with Silicone Spatula until blended.

Microwave on Hi power for 1 min. 30 sec.

Let stand for 1-2 minutes. Loosen edges all around and turn out on serving plate.

Eat as is, or top with complementing whipped topping of your choice.

Quick Whipped Topping

In Tupperware Whip 'N Prep:

1 cup heavy cream (whipping cream)

Choose a flavor:

2 Tbsp. instant pudding powder - will have slightly thicker consistency (ie: choc./lemon)

or

1 single serving packet of Hot Cocoa mix

Put top on and turn handle quickly approximately 45-50 times. Perfect topping or serve as 'mousse'!

Mini layer cake option:

Make two or three small cakes, and layer with Whipped Topping, or frosting of your choice.

Individual Baby Cake option:

In Vent 'N Serve Soup Mug put 1/3 cup Baby Cakes mix, and 3 Tbsp. water. Stir to blend.

Microwave on Hi power 1 minute.
