PARTY TO ACHIEVE YOUR GOALS!

Did you ever think that more partying would help you achieve your goals?

With each Tupperware party you hold as an independent Consultant, you're sharing incredible time and money saving solutions with your Hosts and customers. You set your own schedule, plan your goals and put yourself first.

Achieving those goals starts with believing in yourself and setting a **clear path for success:**

**HOW MUCH
DO YOU NEED
TO MAKE?**

PER WEEK or \$ _____
PER MONTH \$ _____

**What would
you do
with it?**

Save _____
Shop _____
Pay bills _____
Other _____

**How to make
it happen:**

\$ _____ x 4 = \$ _____
I want to make sales goal

\$ _____ / national party average of \$450 = _____
sales goal # of average parties

If you need to make \$350 per week,
your goal will be 3 parties per week.

EXAMPLES

If you need to make \$1,000 per month, your goal will
be about 9 parties per month, or about 2 per week.
