## Two week Sale on the famous Tupperware 16 oz tumblers

Many grew up with this famous tumbler, and now will want it for their family. Let's share as many ideas as possible for this amazing item.

- you can use the 16 oz tumbler to hold hot dogs in their bun to keep them warm and not crushed by the rest of the picnic items
- Sun tea is great, but have you ever tried Tupperware Tea? Use the same amount of tea bags, fill with water and place it in your refrigerator. It is the same as sun tea only already cold and ready for you. You can make sweet tea as well just stir the sugar.
- double your batch of cookies and fill these tumblers with 1/2 the cookie dough with seal - put in freezer. When ready for more cookies - run hot water over the outside of tumbler to loosen and the cookie dough comes out like a tube of Pillsbury's and just slice and bake
- works well for coolers - add water and freeze - slim ice tubes will fit anywhere in a cooler!  
**Reminder - do not fill full - leave room for expansion when they freeze**
