

# Halloween Theme Party

## Build Attendance

Tell your host you will have a “treat” for each guest in attendance! Hand out small game prize as they come in the door. Offer a small gift to the Host when 13 or more are in attendance.

## Demo Ideas

Decorate: Use a Halloween tablecloth, place small pumpkins or other related items around your display. Stickers work well, you can put one on an order form and whoever has it, gets a prize. Put Halloween candies in the Serving Center, then demo and pass around so guests can have a “treat”!

**Centerpiece/Dessert:** Make a Rice Krispy Pumpkin Cake for the centerpiece and the dessert. You will need these *products*: Vent N Serve Large Deep, Jel-Ring Mold, Measuring Cups, Utensil Set and Cake Taker (optional) *Ingredients*: 2 Packages Marshmallows, 1 stick butter/margarine, 12 cups Rice Krispy Cereal. Black licorice (shoestring works well for the mouth)

Place 1 package marshmallows and 1/2 stick butter/margarine in Vent N Serve Large Deep, microwave on high about 1 minute and 30 seconds. Stir and add a few drops of orange food coloring. Add 6 cups cereal, and stir until well coated. Then pour or spoon carefully into a vegetable sprayed Jel-Ring Mold. Press down firmly, let cool. Flip out onto cutting board or Cake Taker. Then repeat with rest of the ingredients to make another. When both have cooled and flipped out, turn 1 upside down, just like when in mold, and place other on top. You can match up the ridges to make it look like a pumpkin. Take licorice and make a face. You may need to cut pieces on the cutting board if you can't find shoestring licorice.

**Beverage: Bubbling Brew:** 2 quarts apple cider, 1/4 cup brown sugar, 1/4 tsp salt, 1 tsp whole cloves, 1 tsp Allspice, 1-3 sticks Cinnamon (broken) Heat all together, serve hot.

## Game Ideas

Place your game prizes in a non see through container, and attach orange & black ribbons to each one. Leave the ribbons hanging outside of container. Then each guest picks a ribbon and their prize is attached! Have each guest take a gift, then read the “Left & Right Halloween Story”. Each time you say left or right, they pass their gift to the left or to the right. Lots of fun!

## Left & Right Halloween Story

It was Halloween & the Right family was preparing for a Halloween Party. Mother Right, Susan Right, & Billy Right had just finished putting all the right touches on their costumes. “I left the Storz A Lot Box upstairs right on my dresser, to the left of my jewelry box” said Susan Right “it has my wig & face make-up right inside. I'll run right up for it.” She left the room.

Mother Right left the living room for the kitchen & began where she had left off making Rice Krispy Treats, carefully spooning the mixture into her Jel-Ring Mold “Hmm,” she wondered, “Have I left anything out?” Billy Right was in charge of passing out candy “I know, I'll put the candy right in Mom's That's A Bowl, the one she bought for popcorn.” He left the room to ask where she had left the Halloween window clings. “I'll put it right on the outside of the bowl to make it look just right! There, that's all that's left” said Billy Right as he finished decorating the bowl.

The other Right family members came into the living room “Hurry!” said Mother Right excitedly. “Father Right is just pulling into the garage. Let's scare him!!! C'mon, get right behind the couch while there's still time left!” As Father Right entered the room, they all jumped up & right at the same time, shouted, “Happy Halloween!” That's all that's left of our game, except to say I hope you have the gift that's right for you!!!

## Recruiting Bid

It's getting near Trick or Treat time and at Tupperware parties there's a treat for everyone! But today I'd like to tell you about a very special treat that I can share with you.. .a Tupperware Business!

It'll be no trick at all to pay your Christmas bills if you treat yourself to being a Tupperware consultant.

Hobgoblins don't really disappear after Halloween! They come back around Christmas time in the form of bills to pay. This year why not trick all hobgoblins by having extra cash for paying bills. Just put E.C. on the bottom of your order form for “Extra Cash”, so I can help you treat yourself to a Tupperware Business!
