Give Tupperware a try for sixty days. That's it! Then decide which option below works best for you!

- ❁ **OPTION 1:** I'm having so much fun with my party business! I love the income, the flexibility of my schedule, and I want to fill my datebook and learn more about growing my business.
- ❁ **OPTION 2:** I've had a lot of fun and made some great money. I want to continue by holding just one or two parties a month and selling to my family and friends!
- ❁ **OPTION 3:** This has been a blast. I've always wanted to try something like this, and I am so glad I did. I would rather purchase a few items and then go back to being a happy Host in your datebook. I love having my friends over and would love to have Tupperware parties with you in the future.

It's that simple! Sixty days that could change your life. You'll never know which option works best for you ... until you give Tupperware a try!

YOUR INCOME IS UP TO YOU.

How much money will I make?

Based on our local party average of \$600, your take home (net profit) would be approximately:

- on 2 parties per week (about 4-6 hours) - \$1680/month
- on 3 parties per week (about 6-8 hours) - \$2520
- on 4 parties per week (about 8-10 hours) - \$3360
- on 5 parties per week (about 10-12 hours) - \$4200

The second source of income is recruiting and contest gifts.

Managers make even more money. As soon as you sponsor 3 newbies and your unit sells \$2500, you will begin to reap lifetime royalties. Directors make BIG money! With lifetime compensation, the earning opportunity is unlimited.

Ask me how to earn a Chevy Trax with paid insurance, tax, title, and license.

How much training will I get?

As much as you want! Or we'll leave you alone 😊. You decide. But just know.... You are in business for yourself, not by yourself. We have a strong system of training for newbies to support their goals. This includes self-study videos and workbooks, free classes, and small group training sessions. Your leaders will also support you with weekly connections and your website will provide many training ideas and opportunities.

How much does it cost?

We have choices! We have a new Mini Kit that you can purchase for \$60! Or you can purchase your Full Business Kit for \$109 plus tax and free shipping. We have a \$49 down program too! Ask me about it. Both choices include the products, business supplies and training materials you'll need to get your business off to a successful start.

How do I get started?

Complete the registration form, purchase your kit of choice and with the help of your sponsor or manager, start lining up your first few parties. There are lots of options available so let's talk to find a custom fit for you!

WANT MORE? Ask about “8 and 12” to a six-figure income and our “WOW” program.

GROW IN CONFIDENCE

Get your party started today with the Confident Start Program. You're automatically enrolled after submitting your first order or on your 31st day (whichever comes first). You'll have **13 WEEKS** to meet the program goals and you may finish as quickly as you'd like. Earn income, awards and build your business with a Confident Start.
