

Online/FB Party Planning Hostess Keychain

Laminate, cut out and hole punch these tags & thread them onto a TW keychain. Use them to party plan your hostess. She returns the key chain & tags to you at the party. Give her another keychain. You can give her whatever gifts you have but I would recommend items from the Tiny Treasure bag or past dating gifts - especially for the better ones like a dating in waiting and \$200 in outside orders. You will need to make multiple sets.
